Hindu temple also welcomed Harper

Harper makes political pitch at Sikh event

April 25.

There has been a lot of media attention about Stephen Harper's visit to the Sikh celebrations last weekend. Seemingly unknown to the media, Harper also visited the Hindu Sabha temple in Brampton on Sunday, where he received applause and welcome from the Hindu community.

The 700,000-strong Canadian Hindu community shares many Conservative values including the need for strong anti-terrorist legislation. Harper's forceful call for an inquiry into the Air-India tragedy contrasts sharply with Liberal insensitivity. We encourage him to continue along this morally principled path.
